## Irrigation Facilities in Honnali Taluk

32. Sri D. PARAMESWARAPPA (Honnali).—

Will the Minister for Public Works be pleased to state :—

(*a*) whether any representations have been made for extending irrigation facilities to Daginakattai, Neeralangundi, Tharaganahalli, Singatageri, Masadi, Arakere, Narasagondanahalli, Bellimallu and Kotaimallur villages in Honnali Taluk by constructing a distributary from Bhadra Main Canal (Malebennur Branch) either from Basavapatna or from Sevanagar in Channagiri Taluk ;

(*b*) whether any survey has been conducted in this behalf and if so, the results thereof ?

*A*.—Sri VEERENDRA PATIL (Minister for Public Works).—

(*a*) Yes.

(*b*) Yes. The proposal of feeding this area with a distributary taking off near Basavapatna or near Sevanagara is found to be very uneconomical in view of the heavy deep cut involved for a long dead length before the distributary can command the lands proposed.
